QUEEN OF THE NEW "N.A.I.T."

Alice Belley, second youngest daughter of Mr. and Mrs. Nap Belley, was recently crowned Miss Northern Alberta Institute of Technicology.

Miss Belley represented the school's drafting club in the contest and was elected by a vote of the whole student body. She is a student in the school's dental assistant course. This is a 9 month course designed to train young women to attend patients in dentist's offices.

Before N.A.I.T., which is in its first year, the only similar course was the 3 year university dental 'hygienist' course which is more detailed and more designed for public health work rather

than aiding the practicing dentist. All the courses at N.A.I.T. are new in that they equip the student for modern business and industry, filling the void between simply a high school graduate and the university degree.

Alice is thoroughly enjoying her course and has nothing but praise for the Institute and its wide variety of courses which run from cooking and beauty culture to architecture and electronics.

She hopes to work in Edmonton after receiving her certificate in June and perhaps later do a little travelling. We congratulate her being chosen as N.A.I.T. first Queen and wish her great success in her aspirations for the future.

The Party Line

My 3 month holiday begins with my departure Saturday. Needless to say, I am quite excited and anxious. However, I will miss all my friends here, especially the many of you who have wished me and my family a safe and happy voyage. I know you will all assist Mrs. Peterson who is taking over for me. As you'll be knee-deep in bedding plants and seed catalogues when I return, I wish you an early spring and no crab grass!

My first words of wisdom(?) are directed to husbands and daddys of the ladies curling in this week's Ladies Bonspiel at the St. Albert Curling Rink. We are sure you have been good sports and taken over as chief cook and bottle washer. The gals really have lots of fun as well as some challenging curling. A good number of spectators adds much to the spirit, so go all out and go to watch a few ends of good curling. The finalists meet on Friday.

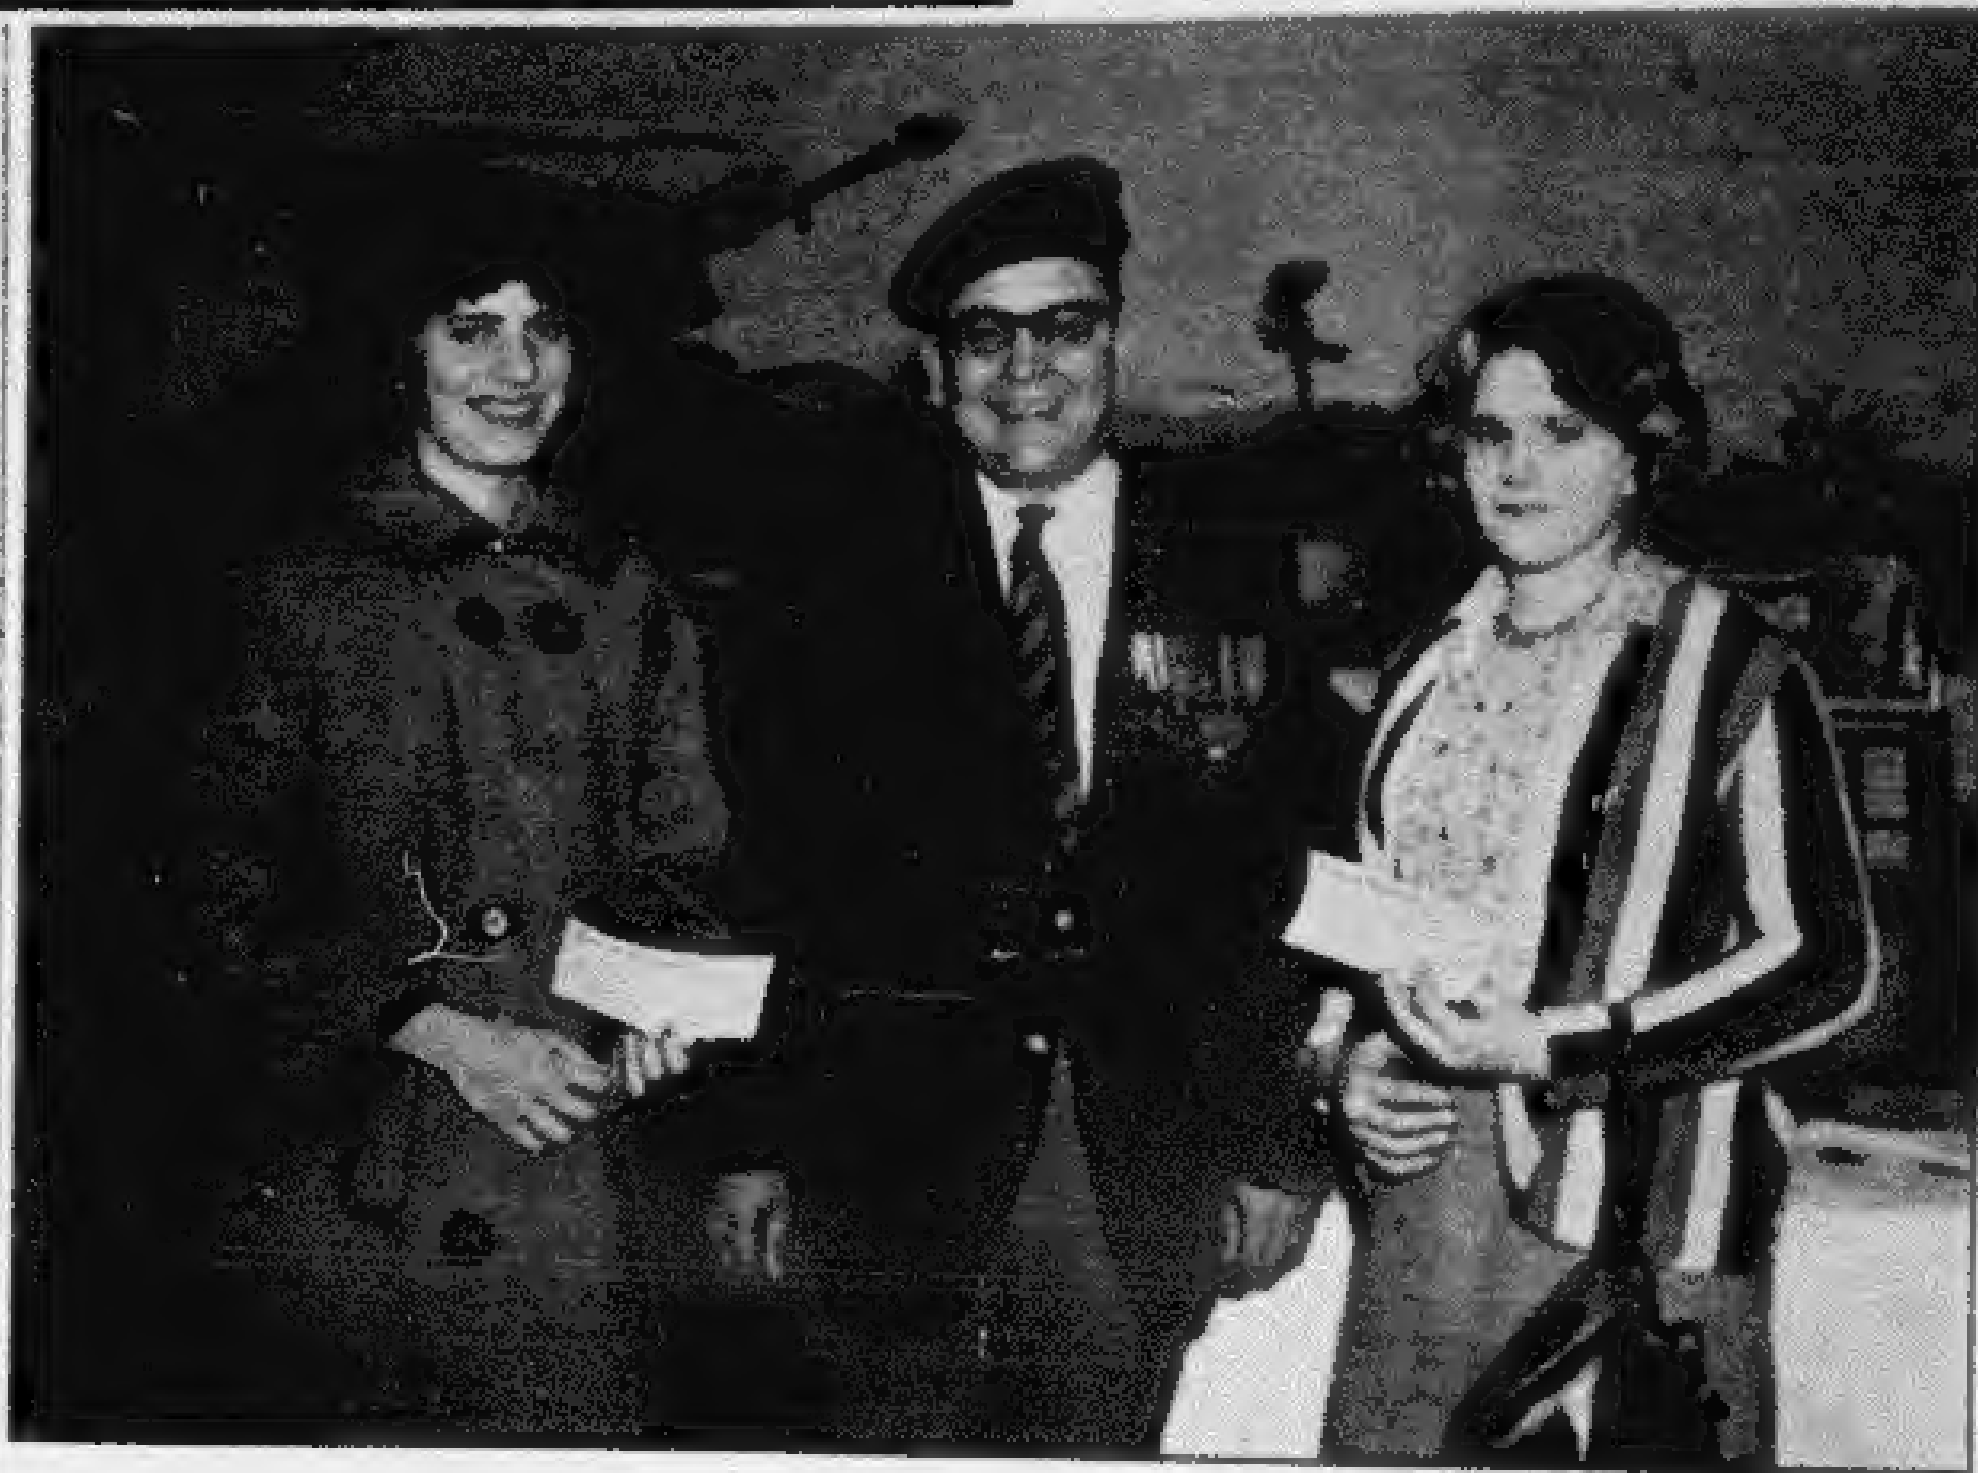

I am taking this opportunity on behalf of all the lady curlers to thank all those who are helping to make this year's bonspiel a success.

CLUB NOTES

The General Meeting of the U.C.W. on Monday February 10, is for the "hungry woman". To the woman hungry for companionship and sociability, we guarantee a warm fellowship. For the spiritually hungry woman, we will have a special devotional speaker, plus a selection of current and stimulating literature on display. And for the woman who is just plain hungry, the POT LUCK SUPPER is something she won't want to miss. Every woman in the United Church congregation is invited to attend all, or part, of the evening's program:

6:45 - Pot luck supper (bring a serving for three, of main dish, salad or dessert).
7:45 - Clean up, and Literature Display.
8:15 - Devotional and Business Meeting.
9:15 - Social Hour and Coffee.

The Women's Institute met Tuesday, Jan. 20th at the home of Mrs. Swane. For this, the first meeting of the year, there were 16 members present. There was a discussion of plans for the Institute's forthcoming fashion show. This event is slated for March. The evening's guest speaker, Mr. Dressler, principal

Joseph Duracher presented cheques for \$10. and \$15. to Connie Raboud and Michelle Hayes who took 2nd and 1st prizes in the Remembrance Day Essay Contest sponsored by the local branch of the

Royal Canadian Legion. They also received a certificate.

Their essays have been submitted to the Provincial Command, which entitles them to compete on to the National Contest.

of Sir Alexander Mackenzie School spoke on "Modern Math". The members found his talk very educational and enlightening. The meeting was followed by a lovely supper.

BROWNIE AND GUIDE NEWS

There will be a meeting of the Brownie and Guide Local Association on February 13 at 8:30 p.m. in the Cub and Scout Room of the Catholic Parish Hall. A good attendance is urgently requested as the topic of discussion will be the "Thinking Day Tea" which will be held in the Community Hall on February 22nd from 3-5 p.m. There will be a white Elephant table, homebaking table, plant sale table and a fishpond for the children. Anyone having odds and ends suitable for the white Elephant table please contact Mrs. Esther Mathews at 599-7655.

Several leaders are still required for Brownies and Guides as our community is growing at such a rate. No qualifications or past experience is necessary, only willingness to lead children in this vital work. Part time or full time help would be much appreciated — contact Mrs. Hoelter, 599-6320.

St. Albert Community League

The St. Albert District Community League wishes to thank all its members and the members of the various organizations in St. Albert who worked so dili-

gently during the membership drive. The memberships for 1964 have increased to nearly 600. The maximum last year was a little over 200. We thank especially the following organizations who covered their particular territory and turned in good results: St. Albert Women's Institute, Y.M.C.A., St. Albert Bridge Club, St. Albert Branch R.C. Legion, St. Albert Sturgeon Players, St. Albert Lions Club, Chamber of Commerce, St. Albert Craft Guild, Sturgeon Heights Recreation Committee.

The recent Annual Meeting was well attended and for the first time in many years, a lively contested election was held. About 40 members were in attendance where the usual is about 15. The new Board of Directors is as follows: President - Ivan Brewster, 1st vice president - H. Terrault, 2nd vice president L. Randall. One year directors - Andy Kappen and C. Dixon. Two year directors are Don Munroe, E. Roussel, George Hestart, Doug Ingle and Chris Gates. REMEMBER EVERY WEDNESDAY IS BINGO NIGHT AT THE HALL. THIS WEEK'S JACKPOT \$165.

AUCTION CITY

Some readers are probably unaware of the fact that this unusual, unique and already famous firm is located in our town. Keith Armstrong, the famous auto auctioneer has enjoyed a decade of merchandising used products throughout the Dominion of Canada. Indeed this name has become almost a household word among car and equipment dealers across Canada.

Mr. Armstrong has conducted his fabulous auction sales throughout the Peace River Country and the north-eastern part of the province during the past few years. His partner and vice president is Mr. Michael B. Lawrence, originally connected with the auction business in Vermilion, Alta. Although Mr. Lawrence's entry to the scope of their operation is comparatively recent, he has already earned himself the reputation of a master at the art of auctioneering.

Armstrong-Lawrence Auctions Ltd. has now opened a huge hall in St. Albert called Auction City. It is located on the St. Albert Trail, next to Jasper Auto Parts. Tonight is the official opening, from 6:49 p.m. to 10 p.m. This will be an evening for preview and entertainment only. Three bands will be on hand for your enjoyment. Free refreshments will be served. We welcome Armstrong-Lawrence Ltd. to our town. This is a tremendous advance for St. Albert.

FILM PROGRAM SUNDAY, FEBRUARY 9, 3 P.M.

Jubilee Jamboree A newsreel film of the International Boy Scout Jubilee Jamboree held at Sutton Park near Birmingham, England, in August 1957, to celebrate 50 years of Scouting and the centenary of the birth of the founder, Lord Baden-Powell.

Mirror in the Sky Tells the story of research and discovery which, through the work of such distinguished scientists as Hertz, Marconi, Heaviside and - more particularly - Sir Edward Appleton, has led to the development of modern radio communications. Shows how some of the techniques which owe their origin to Appleton's initial discoveries have been applied to radar, reliable world-wide radio links and the more recent science of radio-astronomy.

Prince Philip in the Gambia Prince Philip's recent world tour included a visit to the Gambia. This film is a colorful record of that visit, of his enthusiastic reception by the people of the Gambia and of the busy program of functions, sporting events, etc., that took place during his tour of the territory.

"With gas you get service — no doubt about it"

"Any time I have had dealings with the Gas Company they have certainly made every effort to provide satisfactory service."

When you are the only Gas Company serving the residential customers in a community, the responsibility to give good service is great. Northwestern is very conscious of its responsibilities to give good service and extend service to new communities where it is economically practical.

We must also plan ahead so there will be plenty of natural gas for the future — and in all this, carefully control costs so we can continue to provide Alberta gas consumers — large and small, with the best possible gas service at the lowest possible cost.
